

JOB DESCRIPTION

Employee Details

Name of the Faculty: Dr. D. Tamilselvi

Job Title: Deputy Director – Academics

Date of Joining: 20 June 2011

Qualification: M.Sc., M.Phil., Ph.D.

Experience at Rathinam Technical Campus: 15 Years

Previous Experience: Industry – 1 Year; Academic – 1 Year

Department: Principal's Office

Reporting To: Dr. Geetha K., Principal – Administration

Employer: Rathinam Technical Campus

Academic Year: 2026-2027

Job Summary:

The Deputy Director – Academics plays a pivotal role in supporting the Principal – Administration in the planning, implementation, monitoring, and continuous improvement of academic operations across the institution. The position is responsible for ensuring the effective execution of academic policies, maintaining educational quality standards, coordinating institutional academic activities, monitoring faculty performance, overseeing student academic records, and facilitating compliance with institutional and regulatory requirements.

The role serves as a key link between the Principal's Office, academic departments, IQAC, Examination Cell, Controller of Examinations, faculty members, and students to ensure the smooth functioning of academic processes and the achievement of institutional goals.

Key Responsibilities:

1. Academic Planning and Calendar Management

- Prepare and publish the institutional Academic Calendar for each semester.
- Coordinate with departments to schedule academic activities, examinations, holidays, induction programs, and institutional events.
- Ensure timely implementation of academic plans and adherence to scheduled activities.

2. Rathinam Growth Card Management

- Coordinate with all academic departments for collection of CIA-I and CIA-II marks.
- Consolidate student performance data and update MAT scores in the Rathinam Growth Card Portal.
- Ensure accuracy and timely publication of student academic progress records.

3. Faculty KPI Monitoring and Evaluation

- Verify and audit monthly Key Performance Indicator (KPI) submissions from faculty members and Heads of Departments.
- Consolidate KPI scores and obtain approval from the Principal – Administration.
- Communicate finalized KPI reports to departments and IQAC.
- Promote a culture of accountability, transparency, and performance excellence.

4. Faculty Class Audit Planning

- Prepare semester-wise classroom audit schedules for all faculty members.
- Coordinate audit activities with IQAC.
- Ensure systematic evaluation of classroom teaching practices.

5. Classroom Teaching Audit

- Conduct classroom audits as per the approved Standard Operating Procedures (SoP).
- Evaluate teaching effectiveness, classroom engagement, lesson delivery, and pedagogical practices.
- Record audit observations and scores through institutional digital platforms.

6. Student Attendance Monitoring and Debarment Process

- Collect and verify fortnight attendance reports from departments.
- Review RPAD records, bond sheets, medical certificates, and attendance-related documents.
- Generate and circulate attendance reports to departments.
- Prepare consolidated debarred student lists at the end of each semester and submit them to the Controller of Examinations.
- Monitor condonation cases and coordinate fee processing through CAMU ERP.

7. Internal Assessment and NASA Audit

- Audit CIA-I, CIA-II, and consolidated internal assessment marks.
- Verify NASA credit records and related academic documentation.
- Ensure compliance with institutional assessment regulations and academic policies.

8. Institutional Dashboard Data Management

- Collect monthly faculty strength and salary-related data, including faculty, HoD Assistants, Interns, and Virtual Faculty details.
- Maintain records of faculty joining and relieving statistics.
- Prepare and submit consolidated reports for the Chairman's Dashboard through the Operations Manager.

9. Monday Assembly Coordination

- Prepare and circulate the semester-wise Monday Assembly Schedule.
- Align assembly themes and activities with the academic calendar and institutional objectives.

10. External Expert Review Documentation

- Collect and consolidate external expert review reports from all departments.
- Maintain organized documentation and records in the Principal's Office.
- Support quality assurance and accreditation requirements.

11. Lateral Entry Student Induction Program Coordination

- Design and schedule induction programs for lateral entry students.
- Monitor implementation and student participation.
- Prepare and submit comprehensive induction reports to the Principal – Administration.

12. Course Logbook Audit

- Audit faculty course logbooks for completeness and compliance.
- Consolidate audit scores and communicate findings to Heads of Departments and Deans.
- Ensure proper documentation of teaching and learning activities.

13. Common Course Coordination

- Collect and verify Common Course Coordinator details from all departments.
- Prepare institution-wide reports and communicate information to IQAC.

14. Mandatory Course Question Bank Management

- Coordinate the preparation and compilation of question banks for mandatory courses.
- Ensure alignment with curriculum objectives and examination standards.
- Submit finalized question banks to the Controller of Examinations and departments.

15. Model Practical Examination Audit

- Audit model practical examinations across departments.
- Verify question papers, course outcome mapping, attendance records, laboratory manuals, and student record evaluations.
- Ensure uniformity and quality in practical assessments.

16. Academic Class Monitoring

- Conduct regular classroom inspections.
- Ensure faculty attendance and adherence to teaching schedules.
- Promote an effective and disciplined learning environment.

17. Academic Data Analysis and Reporting

- Analyze academic performance indicators and generate management reports.

- Monitor:
 - Syllabus Completion Status
 - Faculty KPI Performance
 - Attendance Trends
 - Internal Assessment Performance
 - Academic Audit Outcomes
- Support data-driven academic decision-making and continuous improvement initiatives.

18. Academic Leadership Support

- Assist the Principal – Administration in implementing academic policies and strategic initiatives.
- Support departmental coordination and institutional quality enhancement activities.
- Foster collaboration and professional excellence among faculty members.

19. Academic Document Management

Maintain and update critical academic records, including:

- Academic Calendar
- Event Calendar
- Model Laboratory Slot Schedules
- University External Laboratory Feedback Forms
- Peer Audit Reports
- Faculty Circulars and Official Communications
- Academic Audit Reports
- Attendance and Assessment Records.

20. Petty Cash Administration

- Manage petty cash allocated for academic events and institutional activities.
- Maintain accurate records and ensure compliance with financial procedures.

21. New Faculty Induction and Onboarding Coordination

- Serve as the Coordinator for the New Faculty Induction Program and facilitate the smooth onboarding of newly recruited faculty members.
- Design, organize, and monitor induction schedules to ensure that new faculty members are effectively integrated into the institutional academic and administrative framework.
- Conduct orientation sessions to familiarize faculty members with the vision, mission, values, policies, procedures, and academic culture of Rathinam Technical Campus.
- Provide comprehensive guidance on institutional systems, academic processes, and faculty expectations.

Additional Responsibilities

Research, Innovation and Academic Contributions

- Encourage and support research, innovation, and scholarly activities among faculty members.
 - Contribute to:
 - Research Publications
 - Patent Filing Activities
 - Book Publications
 - Funded Projects
 - Innovation and Entrepreneurship Initiatives
 - Support the institution's research ecosystem and academic reputation.
-

Core Competencies and Skills:

Academic Administration

- Strong expertise in academic planning, coordination, and institutional administration.

Educational Leadership

- Ability to support academic leadership initiatives and promote faculty and student development.

Strategic Planning

- Capability to align academic activities with institutional vision, mission, and strategic objectives.

Communication Skills

- Excellent verbal and written communication skills for interacting with faculty, students, administrators, and external stakeholders.

Interpersonal Effectiveness

- Strong relationship management and stakeholder engagement skills.

Data Analysis and Reporting

- Proficiency in analyzing academic data and generating meaningful reports for decision-making.

Quality Assurance and Compliance

- Knowledge of academic audit systems, accreditation requirements, and quality assurance frameworks.

Team Leadership and Collaboration

- Ability to lead collaborative initiatives and work effectively with multidisciplinary teams.

Technology and Digital Competence

- Proficiency in ERP systems, academic management software, Google Workspace, Microsoft Office applications, and digital reporting tools.

Organizational and Time Management Skills

- Ability to manage multiple responsibilities while maintaining accuracy and meeting deadlines.

Performance Indicators

The effectiveness of the Deputy Director – Academics shall be evaluated based on:

- Timely preparation and execution of Academic Calendars.
- Accuracy of academic reports and documentation.
- Completion of audits and compliance activities.
- Faculty KPI monitoring and reporting efficiency.
- Student attendance monitoring and debarment management.
- Successful coordination of academic programs and institutional events.
- Quality assurance and continuous improvement initiatives.
- Support provided towards institutional accreditation and academic excellence.
- Effective coordination and successful completion of New Faculty Induction Programs.
- Timely orientation of newly joined faculty members on academic, administrative, and institutional policies.
