Assistant Coordinator – IQAC

Job Description

Position Purpose

As an Assistant Coordinator in the Internal Quality Assurance Cell (IQAC), responsible for supporting institutional quality assurance initiatives, accreditation processes, academic audits, and documentation management. Plays a vital role in coordinating Non-Statutory Committees, facilitating Question Paper Setting processes, and managing Internal Answer Script Audits in the Examination Cell. Responsible for maintaining NBA and NAAC-related documentation, ensuring compliance with quality assurance standards, and supporting academic and administrative excellence through effective coordination, documentation, reporting, and record management. Contributes to institutional accreditation readiness by ensuring timely data collection, verification, audit support, and systematic maintenance of quality assurance records.

Key Responsibilities

- Coordinate and monitor the functioning of Non-Statutory Committees by ensuring timely submission of reports, Action Taken Reports (ATRs), and supporting documents.
- Prepare, maintain, and archive Minutes of Meetings (MoM) for internal meetings, ensuring accurate documentation of discussions, decisions, and follow-up actions.
- Manage and maintain documentation related to NAAC Criteria 4 (Infrastructure and Learning Resources) and Criteria 5 (Student Support and Progression), ensuring data accuracy and readiness for accreditation and audit reviews.
- Coordinate Internal Answer Script Audits by maintaining audit records, preparing audit reports, and ensuring compliance with examination quality standards.
- Maintain comprehensive hard-copy and digital records of IQAC activities, accreditation documents, audit reports, committee records, and institutional quality assurance files.
- Support and coordinate the Question Paper Setting process by collecting, verifying, securing, and maintaining confidential examination documents in accordance with institutional policies.
- Coordinate the printing, compilation, and secure handling of question papers for internal examinations while maintaining confidentiality and examination integrity.
- Developing PowerPoint presentations for IQAC meetings.
- Documentation and evidence collection for NBA, NAAC, academic audits, quality assurance reviews, ranking frameworks, and institutional assessments.

- Coordinate with departments, committees, faculty members, and administrative units for effective implementation of quality assurance initiatives and accreditation-related activities.
- Support institutional quality enhancement efforts by maintaining audit readiness, ensuring documentation accuracy, and promoting continuous improvement practices across academic and administrative functions.
