

THAYA NANDHINI P (RTC05962)

Assistant Coordinator – IQAC

Job Description

Position Purpose

My main responsibility is to coordinate and support all Exam Cell-related activities to ensure the smooth and efficient conduct of Continuous Internal Assessments (CIA) examinations. Responsible for preparing and generating hall plans using the examination management software, issuing examination-related circulars and official communications, preparing invigilation duty schedules, Chief Superintendent (CS) schedules, and Squad Duty schedules. I also ensure the proper arrangement and availability of answer booklets, coordinate with departments for the timely submission of examination documents, maintain examination records systematically, and support academic quality assurance activities through Course File Audits and Answer Script Audits in compliance with institutional guidelines.

Jobs and Roles

- Organize and coordinate Exam Cell meetings related to Continuous Internal Assessments (CIA).
- Prepare and circulate examination notifications, schedules, circulars, and CIA timetables to all concerned stakeholders.
- Prepare Hall Invigilation Duty Schedules and coordinate Chief Superintendent (CS) and Squad Duty Schedules to ensure effective examination administration and monitoring.
- Generate examination hall plans and seating arrangements using examination management software. Shared hall plans with coordinators in a timely manner and support software-related improvements in examination management.
- Coordinate with department coordinators for the timely submission of mark statements, attendance records, and other examination-related documents.
- Manage all Exam Cell-related email communications, including the dissemination of circulars, instructions, notifications, reminders, and official correspondence.
- Ensure the arrangement, verification, and availability of answer booklets and other examination materials prior to the commencement of examinations.
- Coordinate and support the Question Paper Setting process while maintaining confidentiality and adherence to institutional examination procedures.
- Conduct Answer Script Audits and Course File Audits to verify compliance with academic and quality assurance requirements.

- Maintain and update the Exam Cell Stock Register and ensure proper record maintenance of examination materials.
- Provide support in the preparation, compilation, and documentation of NAAC AQAR reports, particularly for Criteria 1 and 2.
- Follow up with Exam Cell Committee regarding internal examination activities and related requirements.
- Maintain examination records, reports, files, and other relevant documentation in an organized.
- Successfully updated and implemented the Attendance Template in the Hall Plan system, ensuring accuracy and efficiency in examination management.
- Assist in the planning, administration, coordination, and smooth conduct of internal examinations.
- Prepared and maintain malpractice reports and related records following the completion of examinations.

Role Summary

To support the effective administration and execution of internal examination processes by coordinating examination schedules, communication, documentation, audits, record maintenance, and examination-related activities. The role contributes to the smooth conduct of assessments, compliance with institutional policies, and the continuous enhancement of academic quality assurance practices.
